Dear Friends

Almost a year ago life changed dramatically for me. As a newly ordained deacon, I joined this group of parishes as a complete stranger. I have been greatly blessed by your welcome and encouragement. Once again this year I can expect life to change having just been ordained priest. This doesn’t mean a move - a priest’s training spans five or six years before being considered ‘safe’ to be let loose alone among you! But whether curate or vicar, we have to accept change with good grace if we are to do our job well. One source of energy and refreshment to which all clergy are committed is time spent in daily prayer and worship. Just as we need to spend time with friends and family to get to know them better, prayer and worship are the way we get to know and develop a closer relationship with God. And strong, healthy relationships are a source of energy and security, through good times and bad, through periods of change and during times of stability. The changes I have experienced have been truly energising, not least because I know that family, friends and colleagues have been praying for me.

All of us experience change in some shape or form many times throughout our lives. Whether it is of the ‘hatched, matched and despatched’ variety, a change of job, a house move or some other event, we cannot avoid change at some point in our lives. The changes for our six parishes have been both challenging and encouraging. We have ‘morphed’ from four parishes to six. We now belong to a larger team ministry as well. We have had to say farewell to the familiar and begin to understand different ways of doing things and different people doing them. As we work together to become a united group of parishes we will inevitably experience further change. Change can create uncertainty, fear and a loss of confidence. New housing developments, property used only at weekends or as holiday lets and isolation for those who become housebound is changing the shape of our communities. While some of these changes seem difficult and our instinct is to preserve the familiar, change doesn’t need to be daunting or fearful if we keep an open mind and adopt a positive attitude.

Hospitality and thought for others are key elements of Christian living. Such an approach leads to growth while looking inwards generally runs the risk of imploding on ourselves. Christians underpin these principles of hospitality and welcome in a life of prayer and worship. Growing a relationship with God helps us to grow relationships with others. Looking outward, being positive and seeking to learn how we might grow good relationships in our communities will mean that change will no longer feel unwelcome.

Prayer helps us in this enterprise. Our diocese has published a little booklet called 'Try Praying'. The booklets are available in our parish churches. And in each of our churches you are invited to leave any prayer requests you might have. That prayer request will be said on your behalf by a member of the clergy team during the week. As we learn to adjust to continuing change in our village society and churches, I encourage you to give it a shot – try praying occasionally – you might be surprised by the outcome!

With love and blessings.

Celia

Weston rural cinema: July

Now that The Best Exotic Marigold Hotel is full up with its long-term residents, co-managers Muriel Donnelly and Sonny Kapoor have a dream of expansion, and they've found just the place: **The Second Best Exotic Marigold Hotel**. Some of the original residents join the workforce of the new hotel, others navigate the swirling waters of an exclusive relationship and Madge juggles two very eligible suitors. Recent arrival Guy Chambers finds inspiration for his next novel and Sonny, as his marriage to Sunaina approaches, is more involved in the plans for the new hotel and has less time for wedding arrangements than he would like. As the big day nears though, family and guests alike find themselves swept up in the irresistible intoxication of an Indian wedding.

The film will be shown in Weston sub-Edge Village Hall on Thursday 30th July. Doors will open at 7.30 p.m. and the film begins at 8.00 p.m. Tickets are £4.00 at the door. Over 13s welcome. For more information contact Chris Rossington or David White on 01386 849316 or find details on the village website, www.westonsubedge.com.

The Seagrave Arms offers a pre-cinema dinner from 6.00 p.m. for £15.00 per person. Booking is essential. Please phone 01386 840192.

WHAT WE'VE BEEN LEARNING

The children in Class 1 enjoyed their visit to the Farm 2 Fork in Evesham. They have been learning about Materials, Multiplication and Division. They have been busy researching about Spain, for their Spanish Fiesta at the end of term.

The Children in Class 2 have been learning about shape reflection and symmetry in Maths. In English they are busy writing stories with two diverse locations and in Science they are looking at circuits. In Music they are enjoying 'Back 2 the Future'!

WEDNESDAY CLUB

Members Day, 13th May - "Who's line is it anyway"

A Quiz with a difference; devised by Roger Batham, there were literary quotes from Shakespeare, Dickens, Lewis Carol and C.S. Lewis; famous lines from Film, T.V. and Radio as well as catch phrases. It certainly got everyone thinking. The winning team were rewarded with mini mars bars and malteezers. All enjoyed the delicious tea that followed.

Ron Nott was our guest on the afternoon of 27th May. Ron, an ex dance band pianist, took us back to the days of ballroom dancing in its full grandeur, with the music from Irvin Berlin, Hoagy Carmichael and Jazz Musician, Glen Miller.

With the assistance of the latest technology (keyboard and sound effects) he re-introduced us to all the old favourites, As Time Goes By, These Foolish Things and many more. Ron occasionally gave a rendering of his own lyrical interpretations to the songs, which raised a few eyebrows but caused a chuckle or two.

Over 50 members attended the Summer Party to celebrate the 40th Anniversary of the Wednesday Club. We were entertained by Harpist, Mark Harmer; a celebration cake was made by Sheila Pickersgill. The village hall was tastefully decorated with balloons and bunting by Maggie Topp and the party tea was fabulous. With reference to the Wednesday Club records, Sheila looked back to the early days of the club in 1975. The club has seen many changes but its purpose and values remain the same.

Longest standing member, Jeannette Brewer recalled her membership with husband John. We had another special occasion for celebration, our very dear friend, Maurice Andrews, MBE, was 92 on party day. There was a birthday cake and candles and with harp accompaniment he was serenaded in the usual way.

The Wednesday Club takes a summer break and will re-convene on September 2nd with the AGM.

Wishing all members a lovely summer.

COFFEE MORNING

Saturday 11 July 10.30 – 12.30

The Methodist Church invites you to our annual event in the garden at the back of our church! It's a lovely venue. If you haven't been there before do come and have a look at the views up the hill, share the shelter of the garden, enjoy coffee and stalls with friends.

There will be cakes, produce, plants, odds and ends etc. All the proceeds will go towards Church funds and, as you know, these are always difficult to sustain. Entrance, including coffee, £1.50.

We're putting the Croquet hoops, mallets and balls out as well so you can enjoy a free game of croquet!

Friends of the School

We have two more playground specialists coming to visit us over the coming weeks to give quotes for the new playground equipment. We are working hard to find funding, grants and donations to make this happen.

Smarties Challenge

A massive thanks goes out to the children who took part. Out of 46 tubes that went out, 23 were returned with lots of 20p coins and some cash donations. You managed to raise a whopping £97.30 to go towards your new playground equipment!

Bags2school

Thanks to residents who filled bags and returned them.

easyfundraising.org.uk

We received £75 in the account last week, so again thanks go out to the parents and residents who are using this free and easy way of raising money for FOS whilst shopping online.

Thanks for your continuing support

COTSWOLD, FRIENDS - VOLUNTEERS REQUIRED

Are you interested in volunteering in your community? Are you looking to learn new skills?

Could you spare a couple of hours once a month? If your answer is yes, Cotswold Friends are looking for volunteers to work on a rota system, supporting people living with dementia in the Campden Vale area.

Working in partnership with other local organisations, including Chipping Campden Community Trust, Cotswold Friends are delighted to be involved in this new, exciting project.

A dementia diagnosis can be a shock for the person, as well as their family and friends. Many people living with dementia say they lose their friends, as they don't know how to cope or what to say. This can make the person frustrated, isolated and lonely and can lead to depression and anxiety, which can make their symptoms worse. Carers may also lose their friends, as the role of carer is 24/7 and their own health and wellbeing may also suffer.

You can help by supporting the person: listening, befriending, making them feel included and encouraging them to participate in activities designed to help with mental stimulation. Carers can have a few hours' respite to look after themselves too: visiting friends, shopping or taking part in a hobby they may have had to give up

Our volunteers will support a small group of local people with activities to encourage social interaction and brain stimulation, such as memory games, cards, music, craft or gentle exercise. There is no personal care given by the volunteers and you will have the full support of a co-ordinator at all times. All volunteers receive full training, support and travel expenses. You will need to provide references and undergo a DBS check. You will also have the opportunity to train as a Dementia Link Worker. Whether you are interested in gaining new skills to return to work or to change career, are retired, on a gap year or just want to give something back to the local community, please give us a call to find out more.

Volunteering can be very rewarding, is good for your health and gives you the opportunity to meet new friends and support your local community.

Cotswold Friends is an equal opportunities organisation and volunteers are welcome from all social, ethnic, cultural and religious backgrounds, irrespective of age, gender, sexuality or physical disability.

If you are interested in finding out more, please contact Kirsty on 01608 652019 or email kirsty@cotswoldfriends.org

ORDINATION SERVICE

Welcome Reverend Celia Woodruff

You must visit Gloucester Cathedral, if only to see where Harry Potter was filmed. As you sit you can feel the divine inspiration and commitment of its Architect and Builders.

On Saturday 20th June nine new Priests were ordained there into the church. They were encouraged by the presence of Bishops from across the world, a host of supporting Clergy and a packed Congregation of well-wishers, what a weight of prayer and blessing. The two hour service flew by in minutes as Bishop Martin of Tewkesbury led proceedings. When he called for God's Holy Spirit onto their heads to guide and encourage them in their new ministry, I felt the Spirit falling amongst us like the rain in the thunderstorm that day, leaving some in tears of joy. Watching these nine become Priests was like watching a new birth, what difference would their priestly careers have on people's lives? Well, Ta Dah! You can find out for yourself as Willersey warmly welcomes the new Reverend Celia Woodruff to our church.

WILLERSEY WOMEN'S INSTITUTE

Our Speaker this month was Heather Shute along with her lovely dog Jazz. Her talk was about the Medical Detection Dogs that she works with, which are based in Great Horwood, a charity supported organisation, whose Patron is the Duchess of Cornwall.

These wonderful dogs work with their owners (adults and children) to detect, through odour: - Cancer, Addison's Disease, Narcolepsy, Pain Seizures and a majority in Type 1 Diabetes.

It takes 4-6 months to train a puppy (at great cost!). Mainly Labradors, Collies, Spaniels and Poodles. The organisation was set up by John Church and Dr. Clare Guest (seen on Embarrassing Bodies detecting bladder cancer with their dogs). There are 22 staff at Great Horwood, but only 5 are paid.

All dogs are raised in family houses, and greatly reduce paramedic call outs and hospital admissions, due to their fantastic noses!

In recognition, they helped carry the Olympic Torch in their town. Brilliant!!

If you wish to support them

Telephone Medical Detection Dogs 01296 655888.

We have no meetings in July and August, so our next meeting is on Monday September 14th.

NOTES FROM YOUR PARISH COUNCIL

July 2015

Church Street

The Parish Council is most grateful to all those dedicated people who turned up to help with the gardening and gave their spare plants so generously to enhance Church Street.

Blind Lane

The Parish Council has, yet AGAIN, received a number of complaints about a dog owner who walks a large dog round the village and fails to pick up after his dog. It is allowed to defecate on grass verges, particularly in Blind Lane. This reflects very badly on the responsible clean owners who do pick-up and use the dog bins provided by the Parish Council.

Pond

Parish Council is organising a pond day on Saturday 11th July from 10.00 onwards, to clear out the weed and keep it healthy and well cared for. So if anyone would like help who feels they can spare an hour or two - with or without a wheelbarrow, always useful to have an extra 'barrow! Please come along on Saturday 11th July.

Missing Post Box

Recently the post box on the top green near the Methodist Church was knocked over and taken away. The Parish Council has asked the Royal Mail when it will be restored and they have said they will investigate the situation and let the clerk know as soon as possible. In due course the Parish Council will let you all know what is going to happen to our missing box!

Parish Council

The Parish Council takes this opportunity to remind residents that the clerk and Mrs Jean Moore are in the office every Monday morning as usual from 9.30 to 12.00, always ready to help or answer queries if they can. Or to pass on residents' concerns or questions to the Parish Council for formal discussion. The phone number remains the same and is 01386 853635 to leave messages.
