Dear Friends,

At a recent study day, spent with my curate colleagues in training from across the diocese, we were asked a simple question: *Who am I not?* An odd thing to ask perhaps – but on reflection a profound one and a liberating one if you choose to think about it in greater depth.

Frequently our identities are defined by what we do for a living, where we live, who we socialise or relax with or what sort of entertainment we choose for ourselves. But that also leads us and others to develop expectations which place unwelcome pressures on us and can cause a great deal of stress. So we were prompted to imagine writing a job profile or CV which began with the words *I am not.....*

In the Gospel of John, the religious leaders wanted clarification about the identity of St John the Baptist. They wanted to know in whose authority John was preaching and teaching. But John resolutely responded to all their questions by saying *I am not.....the Messiah, Elijah, the prophet.* John knew that his role was to point people towards Jesus, and not to claim supremacy for himself with grand explanations or false claims of power and authority. That is our role as Christians today too.

So in this in-between time of the year, when summer has gone and winter is not quite upon us, why not stop and reflect on *who you are not?* As a group of curates we came up with some surprising responses. Perhaps you might too!

Don't forget our upcoming baptism and confirmation service at St James, Chipping Campden at which Bishop Rachel will preside. It is at 6.30pm on Sunday 30th October. It's not too late to sign up and join the sessions to learn about both before you make the commitment. They are being held on a Sunday afternoon for young people at 4pm or Sunday evening at 8pm for those who are slightly (or a lot) more mature! Both sessions are in Chipping Campden.

If the study sessions don't fit in with your family or work schedules, and you think you would like to explore what baptism or confirmation might mean for you, do contact one of the clergy team - Rev. Craig Bishop, Rev. Dana Delap or me. Come and have a chat to find out what it's all about. The Christian family, like any other, grows and develops when we live and work together in community. You can be a part of that growing community too – and you will be welcomed by those of us who witness to our faith in these villages. And reflecting on who we are and who we are not might be the catalyst for you to come and explore the Christian faith in greater depth.

With love and blessings.

Notes from Your Parish Council October 2016

Junior Football on the Recreation Ground

The PC is delighted to welcome Littleton Juniors under 14's to play on the recreation ground on a regular basis. They have hired the pitch for the season and the PC hopes this will be a long and happy association.

Pond

Residents will have noticed that the pond has taken on a rosy hue! We think this is due to an algae called Euglena, which turns pink in sunlight. It has attacked the pond because it is nice and healthy. It's feeding off the green blanket weed and the nutrients in the water. Needless to say the PC is looking into what can be done to get rid of this pink punk invader.

Drain Clearance

The PC has been informed by Amey that a "gully sucker" will clear the drains in the village in November. The PC is very aware that the drains and other minor works in the village are in urgent need of attention. The PC constantly strives to keep up with the demands of these jobs and often battles against budget constraints as well as administrative problems. The PC will continue to keep up the pressure to get these jobs done.

A Thank you to Bill Payne

The Horticultural Society committee and villagers would like to acknowledge the work and commitment Bill puts into making the Show on Bank holiday Monday the success it has become.

Much of the smooth running of the Show is down to Bill's leadership and skill in valuing the people he is working with.

There are many hidden extra jobs which go unnoticed which Bill undertakes. Hopefully, Bill you will continue to lead the team at many more Horticultural Shows but the sun needs to shine!

Horticultural Show Raffle.

Thank you to everyone who donated prizes, helped on the day and came and supported us. It was a lovely afternoon and £310 was made towards Village Hall upkeep.

DOG SHOW – AUGUST BANK HOLIDAY MONDAY

Many thanks for all of you who supported our fifth annual Fun Dog Show at which we raised £214 for St. Richard's Hospice from the show entries and dog jumping. It was so nice to have sunshine after two years of rain and we hope that everyone enjoyed themselves. If the sun shines again next year, we will put out some bales of straw for everyone to sit on. We also raised a total of £129.50 from the sale of ice creams and hot dogs which will start off the fund-raising for a new Church organ.

Confirmation 2016

Bishop Rachel will be confirming young people and adults at St James' Chipping Campden at 6.30 pm on Sunday 30th October. If you would like to explore the Christian faith in more depth, and make a commitment as a disciple of Jesus, our 2016 Confirmation Groups will meet as follows:-

COTSWOLDS residents are being urged to call a new national three-digit telephone number during a power cut. Many people don't know who to contact during a power cut and wrongly call the electricity supplier shown on their bill.

The new national phone line has been launched to help home and business owners report power cuts in their area and get help and advice. The free-to-dial 105 number was developed by the energy industry to help clear up confusion about who to contact.

Previously, consumers were supposed to contact their local electricity network operator if there was a problem. But research by the Energy Networks Association (ENA) showed around 72 per cent of people didn't know who to call in the event of a power cut. The new three-digit number will ensure members of the public are put straight through to the right organisation responsible for fixing power cuts in their local area.

David Smith, Chief Executive of ENA, said: "Significant network investment means power cuts are not a regular or widespread occurrence for people, however, our research makes it clear that there's still a need to provide a simple, memorable number they can call should they experience one.

"This is particularly important when there's bad weather, as severe storms can cause damage to power networks and disrupt the electricity supply into people's homes. This new, free number will make life easier for electricity customers."

During the severe storms that affected the UK in the winter of 2013, [electricity supplies to 750,000 homes](#) were disrupted, and in December 2013, 800,000 calls were made about the problems. You can call 105 from most landlines and mobile phones, no matter who you choose to buy electricity from. For more details visit www.powercut105.com.

Weston Rural Cinema: October

In the 1940s, New York socialite **Florence Foster Jenkins** dreamed of becoming a great opera singer. Unfortunately, her ambition far exceeded her talent! The voice Florence heard in her head was beautiful, but to everyone else it was unspeakably awful. Her husband, St. Clair, went to extreme lengths to make sure his wife never found out how dreadful she sounded. When Florence announced her plans for a concert at Carnegie Hall, St. Clair realised that he faced an enormous challenge.

The film will be shown in Weston-sub-Edge Village Hall on Thursday 27th October. Doors will open at 7.30 p.m. and the film begins at 8.00 p.m. Tickets are £4.00 at the door. For more information contact Chris Rossington on 01386 849316 or find details on the village website, www.westonsubedge.com.

The Seagrave Arms offers a pre-cinema dinner from 6.00 p.m. for £15.00 per person. Booking is essential. Please phone 01386 840192.

Willersey C of E Primary School

The first two weeks of term have been action packed as the children return from the summer break.

We welcome a number of new, enthusiastic additions to our teaching team who have all hit the ground running with exciting ideas for our topics and learning in both classes.

We welcome Miss Saunders as the new class teacher in class 2 as well as Mrs Green who is teaching the Year 3 and 4 children for 3 mornings a week to give focussed work for English and Maths.

Mrs O’Kane and Mrs Hartshorne are teaching our youngest children in class 1, ably assisted by Miss Edwards as the teaching assistant. Our new Reception children have been all smiles as they join the class and begin their school journey as part of the Willersey Primary School family.

The children in class 1 have begun their Forest School learning this week. They have taken part in bug hunting, using magnifying glasses, studying the habitat using binoculars, listening for birds and mud painting! The class 2 children have produced a ‘play in a day’ focussing on mindfulness and issues around mental health and wellbeing. This was led by a drama teacher from Konflux theatre and the children produced a drama presentation after only a few hours intensive work.

Our Bishop’s Visitor Sue Padfield visited the school at the beginning of term and commented on the busy classrooms and the displays as well as the enthusiasm and commitment of the children. She joined us for the first main worship of the school year focussing on ‘Generosity.’

Our Floorball team will be in action very shortly with matches against a variety of local schools and we are gearing up for other sporting activities including some cross country – you may see us out and about!

We are developing our school as a ‘Maths loving school’ to ensure that children really enjoy the challenges and wonder of maths. There have been lots of activities inside and outside the classroom with the aim of really getting to grips with all the understanding of numbers (including some very large numbers) to help with solving tricky and challenging problems coming up shortly.

Our after-school clubs have begun with good numbers of participants – the clubs include floorball, nature club, homework, singing, art and multi-sports.

Several children won a poetry competition organised by The Dogs Trust’ and will be attending the opening ceremony at the new buildings in Wickhamford.

We have been very pleased to welcome our Open the Book team again this term. The time spent listening to Bible stories and singing some hilarious action songs is a special time of the week.

We are having an Open Morning on Tuesday 11th October from 9am-12 noon. Please do come and visit the school and see the classrooms in action – you will be assured of a very warm welcome!

Our September meeting was a "French themed night" with Rachel Clark speaking of living in Paris whilst studying for her French teaching degree. This was a learning curve for many of us. We heard much about the wonderful French architecture and life in Paris.

Many members were suitably dressed for the occasion and at one table there were murmurs of "We could do the Can-Can". There were further murmurs of "Surely not with our walking sticks". "They do not use walking sticks at *The Follies*". As most of them could not rise from their seats without using their sticks, the Can-Can was regrettably abandoned. We thoroughly enjoyed the French themed food and drinks. We had paté on soft bread rolls and we were all prepared to ignore Marie Antoinette's advice on eating cake and denied that we were descended from aristocrats. What an evening! The French theme closed with *La Marseillaise* leaving us with feelings of brotherhood or sisterhood in our case and the greatest treasure of freedom. Not mentioned was France's cure for baldness - the guillotine!

The competition was won by Mildred. The raffle was won by Val.

Announcements:-

Our coffee morning raised £490.00 for our Senior Citizens Christmas lunch. Maggie and helpers raised £220.00 for Campden Nurses at the Horticultural Show. Mildred had knitted lovely jumpers for Children of Africa. We have an invitation from Childswickham WT to join them for an outing to the Shakespeare Theatre in Stratford upon Avon.

Pam reminded us that that it is shoe box time again for Xmas and Carol has donated a new, large Xmas tree for the Senior Citizens lunch

How many stars are estimated to be in the known universe? 7×10^{23}
How many atoms in the average human body?
 7×10^{27} or 7,000,000,000,000,000,000,000,000.

That's 10,000 times more than the number of stars. It is amazing that this vast number of atoms is so well organised to make each one of us.

We all enjoyed a lovely service on Sunday and the singing was spectacular! Revd Israel enjoyed meeting everyone, including Curate Celia. The two Ministers are planning to work more closely with each other. Our next United Service is on 30th October at the Methodist Church (10.30 am), and, of course, we shall all be at St Peter's on November 13th for the Remembrance Day Service (Time in this magazine).

COFFEE, CHAT AND CRAFT is on every Friday morning and we now have a selection of things to make. We also have an outlet which sorts and sends finished articles to wherever they're most needed. Do please join us and enjoy a morning of friendship.

Our two churches are here to support and help the people of the village. Times of services and types of worship are available to everyone! They range from 9.30 through to 11 and a Wednesday morning at St Peter's. Friendship is there for the asking.
