Dear Friends,

**New journeys begin:**

I've just spent 3 days in Chartres, in north-central France. The town is famous for its cathedral, which dominates the skyline for miles around. But there are plenty of nice cathedrals in the UK, so why head for Chartres?

Located in the Cathedral is a 12th century circular labyrinth. The labyrinth is huge, measuring 42 feet in diameter, and the winding path contained within it is over 850 feet long! For around 900 years, pilgrims like me have walked the labyrinth, following the twisting and turning way, which, if followed correctly, leads to the centre. To some, the path symbolises life's journey, while our arrival in the centre represents what should be the ultimate goal of every human being - to be in the very presence of the God of love and to know and share in the fullness of life that Christ promises to all who believe in him. Above all, the labyrinth is a reminder that life is for each one of us a journey.

By the time you read this, I'll be back from Chartres and Ros and I will have made another significant journey - from Cambridgeshire to the Vale and Cotswold Edge. My appointment as your Vicar marks the beginning of the next phase of the journey that God has planned for our churches and their role in our communities. As we embark on this new venture together, we can know with all certainty that God journeys with us.

Ros and I are looking forward to being part of your journey and to you being part of ours. We're so looking forward to meeting you all! Whatever life throws at you, regardless of whether or not you currently come to church, we are here - with you and for you.

With love in Christ,

Scott

### A Message from your Churchwardens

Dear friends - we are delighted to welcome the Reverend Scott Watts, Ros his wife (and Marigold the bassett hound) to our villages. At the end of June we celebrated their arrival at a wonderful installation service at St Peter's, Willersey followed by a party to welcome Scott and Ros.

We are looking forward to working with Scott, and pray that he and Ros will be happy among us. Do come and support Scott as he ministers in our parishes and make them welcome in all our communities in the months and years to come.

With blessings from your churchwardens and PCC reps.

### Willersey Parish Councillor clocks up over a Quarter of a Century!

At the Annual Parish Meeting, Cllr Lynden Stowe paid tribute to Mrs Jean Moore for her 26 years continuous service on Willersey Parish Council. Cllr Stowe presented Mrs Moore with a silver picture frame from the Parish to mark her stepping down from the council.

#### **Just a note to say .....**

When I first started as clerk to the parish council I was very inexperienced in council matters, unsure, nervous and just plain scared! Jean was a hugely supportive mentor to me, she was my mainstay, providing sound advice and helping me through the tangle of parish council matters. She doesn't suffer fools gladly, speaks her mind, tells it how she sees it and has the wickedest sense of humour possible. Jean and I have had many an eye watering session, left helpless with laughter over one of the impossibly ludicrous events which come through the council office. Much needed light relief in a sea of serious service.

She has, and still does, give unstintingly of her time to the parish council and the village. Not averse to donning welly's and weeding Church Street, dragging weed from the pond, and always battling for what was right for Willersey.

Jean has a wealth of knowledge of the village in both its history and social aspects. This knowledge has always provided the Council with a source of information that has been the bedrock of many decisions. I'm so pleased that she will be staying around in a help and guidance role. But more than that I'm proud to have her as a valued colleague and dear friend.

**THANK YOU JEAN MOORE FOR SO MUCH!!** Cathy x

### **Class Two "Oz" Day**

Class Two will be completing their topic about Australia with "Oz Day". Please come into school wearing typical Australian clothe. The class will be tasting Australian food and playing games.

### **JOB VACANCY**

Are you looking for a few hours' work a week? We will soon be recruiting for a Breakfast Club Leader and Lunchtime Supervisor. These two roles can be combined (one person to do both) if suitable. The Breakfast Club leader position would be for 5 morning sessions (5 hours) per week and the lunchtime supervisor would be for 5 lunch sessions (5 hours) per week. Both roles are really important in school to support the children in having a happy and enjoyable lunchtime and a good start to the day with a fantastic breakfast experience. As always, these posts are subject to an enhanced DBS check.

We've been asked to run a chocolate tombola stall at the **Village Horticultural Show** during the summer holiday. This is always a very popular stall! Please could we ask for chocolate donations for the event? It can be any kind of chocolate but please check "best before" dates as we will have to store all chocolate until the end of August. Please give your donations to any FoS committee member or bring them into the School Office before the end of term.

## NOTES FROM YOUR PARISH COUNCIL (WPC)

JULY 2017

### **RECREATION GROUND**

Following the recent annual report commissioned for the council by ROSPA (Royal Society for the Prevention of Accidents) the report highlighted a few safety issues that needed attending to. A councillor has met with Gloucestershire Association for Playing Fields and a program of works has been devised to ensure that the equipment is safe to use in the future. The large swings have been removed while replacement chains, seats and couplings are sourced.

### **WW1 COMMEMORATIONS**

As next year will be the 100<sup>th</sup> Anniversary of WW1, WPC will be marking the occasion by commissioning a lasting memorial for the village. The councillors are investigating a number of options this. Funding for this will be sought from a fund at Cotswold District Council.

### **THE POND**

At present there is a large amount of pond life in the pond - a testament to just how good it is. However, the councillors will be donning their waders and welly's again soon to wade in and pull out the weeds. In addition WPC will be seeking the advice of a pond expert in order to continue the battle to keep it clear.

### **NEW PARISH COUNCILLORS**

There are currently three free places on the Parish Council. If you are interested then do call the clerk or visit the council office on a Monday morning. Please note that the next Parish Council meeting is on 26<sup>th</sup> July. This is to give time to interview prospective councillors. As usual there is no Parish Council meeting in August.

### **Broadway Embroidery Group**

At our June meeting members continued with the folded book project. Julie was on hand to help those completing the page folding then it was on to designing and making the book cover.

Sadly we learned that Carol, our 'wonderful cross-stitch lady' had recently died. Several members agreed to attend her funeral

For our July meeting a visit to the Ashmolean Museum in Broadway has been arranged. An exhibition with the title Embroidered Bodies is on display there until September. Our August meeting will be a visit to Beckford Silk where we plan to meet, have lunch and see the silk works.

Matthew's fondness for the life and songs of George Formby, ( born George Hoy Booth) was evident in his entertaining talk at our June meeting accompanied by his skilful playing of two different ukuleles.

A surprise to some of us was that George was blind at birth but after a trip to the sea side where he had a coughing fit, his sight was restored.

George became a jockey when ten but left when he was 16 as his father had died. This led to his life in show business following in his father's footsteps and 21 hit films and over 230 songs. His wife Beryl was instrumental in his success, she died in 1960 followed by George in 1961. Still loved and remembered, members of the George Formby Society now numbers 1,200.

## WILLERSEY WEDNESDAY CLUB.

Our talk on 24<sup>th</sup> May had the intriguing title "Khaki and Camisoles". This turned out to be the history of the Isle of Man during the two World Wars. In the first World War, men aliens were interned on the Island. At first they were in the holiday camp, then eventually a special camp was built for them and this housed 22,000 internees.

During the second World War there were air strips, internment camps and a radar station on the island. This time women were included, which is where the camisoles of the title came in.

Our season was rounded off with our summer party on 7<sup>th</sup> June. The theme this year was the 1920's, black and white. The hall was magnificently decorated with themes and scenes of the 20's the men were provided with waistcoats, hats and moustaches, and the ladies all wore black or white headbands. Some were brave enough to wear flapper dresses, and all kept to the theme. We started with Bucks Fizz, followed by a sumptuous tea with strawberries and cream. Our thanks go to John and Joan Holmes, who very generously supplied all the food and the decorations as well as getting up early to prepare the room.

Roger Bradbury played tunes from the 1920's all through the afternoon and we were all able to join in the songs, and some brave people danced to the music. A very jolly and happy finish to our season.

Meetings start again on **September 13<sup>th</sup>** with the AGM and members day.

### *An invitation from the Bell Ringers*

Last year over thirty locals came to our first 'Open Tower' event, to see what the ringing chamber looks like and what happens when the bells are rung for a wedding or on a Sunday. Many who came have lived in Willersey for many years and not had an opportunity to see the bells for themselves, and lots who visited tried their hand at ringing too. So, if you're new to the village, missed out last year or fancy another go we invite you to join us on

*Saturday July 22nd between 5.00-7.00 pm.*

This is not a recruitment drive, although we are always keen to welcome new ringers, but more of an opportunity to demystify what bell ringing is and how it's been done in Willersey for over 300 hundred years. The circular staircase to the ringing chamber is a little steep, so you might need to be steady on your 'pins', but you can be sure of a warm welcome and a chance to 'have a go' if the fancy takes you. Please talk to Bob Topp, Chris Gooding or Pete Kavanagh for more information. We look forward to welcoming you.

A big thanks to all those who delivered and collected envelopes for Christian Aid - not the most envious of jobs. A sum of £560.75 was collected. This is less than last year but with £100 from pancakes and over £400 from lent lunches a good response from the village once again for this charity. DHI

## Campden Area Home Nursing

Did you know that Campden Area Home Nursing covers Willersey, Saintbury and Broadway, we cover a 12 mile radius from Chipping Campden providing a free end of life care service for patients that want to stay in their own homes. Here is some of our news.

In May a Campden resident Rita Dan from Shepherds Close hosted an open garden in memory of her husband. The afternoon was glorious with over 200 people turning out and the event raised £2,200 for the charity which was a phenomenal result, our heartfelt thanks to Rita. Ticket requests have started coming in for the Duchess and Housewife talk on Friday 29<sup>th</sup> September. The renowned guest speaker Simon Seligman will deliver a talk about his 20 years spent living alongside the Duchess at Chatsworth, the event will be held at Chipping Campden School and all funds raised will go to the charity. Tickets will be £15 to include a glass of wine and ticket reservation, requests can be emailed to [helen2971@yahoo.com](mailto:helen2971@yahoo.com)

July's big event is a Vintage Car Rally and Antiques Road Show which is being held at Borrego, 12-4pm on Monday 10<sup>th</sup> July. Kingham and Orme will have a number of experts there to value your antiques, there will be bring and buy stalls for cakes, books, hats, ties and ice creams. The entrance fee is £5 which will go to CAHN, children are free. Borrego can be found off the A424, GL56 9TB. For more information email Marion Houghton at [marionhoughton@btinternet.com](mailto:marionhoughton@btinternet.com) 01386 853617. We would also like to take the opportunity to thank Rebecca Denyer at Red Lemon Create for creating the newsletter we sent out last month, many thanks also to Sara-Lou Harris for donating time to design posters for our Borrego event, we had a great response to our request for design help going forward, thank you all.

If you feel there is anything you can donate or do to help we would love to hear from you. It costs us £250 a night to place a nurse in someone's home. We also have an increasing burden of administration and management costs including being registered with the Care Quality Commission and insurance costs therefore we rely heavily on peoples generosity, be it time or money.

### July Nature Box - Swifts

Willersey is indeed fortunate to be able to enjoy these summer visitors which are currently screaming round our rooftops, particularly in the centre of the village. These summer visitors from Africa are with us for all too short a time, and adult and immature birds will be heading south at the end of July - with some birds not landing again for up to four years. So feeding, sleeping and mating on the wing for all that time.

A special thank you to those residents who, perhaps unknowingly, are providing valuable nesting sites for these iconic summer birds, whose numbers across the country are in quite steep decline.

### Julian McMaster Harvey *A Life in Poetry*

Julian Harvey came to live permanently in Willersey in 1999 with her husband Anthony, when he retired after many years as Canon and Sub-Dean of Westminster Abbey. He has now edited and published a selection of nearly eighty of Julian's poems, written over a period of more than seventy years. The book, beautifully printed and produced by The Vale Press in Willersey, also contains enlightening introductions to some of the poems by Anthony, and reproductions of several of Julian's watercolours and gouaches of flowers and plants: she was also a gifted painter.

The poems touch on a variety of subjects: memories of friends and relations, reflections on the natural and spiritual worlds, and disarmingly frank thoughts on personal relationships and her own battles with depression and, in her final years, incipient dementia.

Julian's use of metaphor and imagery can be startlingly original, and certain phrases and lines linger in the memory for their sheer beauty and inventiveness. Her insight into experiences and emotions is such that readers may well find they resonate with their own. Over the years one can accumulate, sometimes with embarrassment, 'slim volumes' of verse by friends who have felt the urge to venture into print; but to my mind Julian Harvey's poems are of an altogether higher order and accomplishment than most which have come my way. J.N.B.

*Copies of A life in Poetry, and of Anthony Harvey's autobiographical memoir Drawn Three Ways may be obtained from the author at Mendelssohn Cottage, Broadway Road, Willersey (01386 859260)*

The Committee have decided that all monies raised on the day, after expenses, will be donated to Campden Home Nursing, for the invaluable work they undertake everyday in the Community.

*"So everyone come along and enjoy what the day can offer"*

See you there
