PASTORAL LETTER – MARCH 2020

By the time you read this, the season of Lent will have begun. On Ash Wednesday (26th February), many Christians up and down the land will have gone to a service in church at which the minister will have made the sign of the cross on their foreheads with ash (made from burnt palm leaves) and said,

**‘Remember that you are dust, and to dust you shall return.
Turn away from sin and be faithful to Christ.’**

The minister will then have asked someone present to do the same for them.

These words are not at all intended to be gloomy, but rather to remind us that we are *human*, not *super-human*! They set the mood for the season of Lent, which is a God-given time to reflect on our identity in Christ (something that I wrote about in my letter last month) and on how we are choosing to live our lives. Are we making good choices, or bad choices? Are we making choices that draw us nearer to God, or that cause us to feel somehow distant and remote from God? Are we making time each day to acknowledge God’s presence – that God, in fact, never distances himself from us – or are we so busy, so pressured and so stressed that our lives are somehow out of balance?

The Bible tell us, in the New Testament book of Romans, that, ‘...all have sinned and fall short of the glory of God.’ (NKJV) These words are both challenging and uncomfortable. They’re not, if we’re absolutely honest, words that we particularly want to read or hear, partly because we know that they are true. And so, the season of Lent offers us a time to reflect, to confess, to amend our lives and to redress the imbalance of ‘everything else before God’.

Over the past few weeks, it has been my sad privilege to conduct a number of funeral services. I always start those services with timeless words of Christian hope. One of the sentences from the Bible that I use are these well-known words from St John’s Gospel,

‘For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life.’ (NRSV)

The words are a reminder that God *never sees any of us* as 'lost causes' and has made a way, in and through his Son, Jesus Christ, for all of us to be one with him. With God, there is always hope.

To mark Lent, Ros and I will be hosting Lent Lunches at the Vicarage on the following dates, 10th, 17th, 24th and 31st March and 7th April. They start at 12.30 pm and end at 2.00 pm. We follow the same format every year. We begin by sharing homemade soup and bread, followed by tea or coffee, and then have a short Bible study. They're warm, friendly and very non-threatening occasions. We'd love you to join us and to make time this Lent to be reminded of how loved by God you are. Please let us know, either by phone or email, if you're coming along, so that we can make sure there is food for all!

With love,

WILLERSEY METHODIST CHURCH – March 2020

'March winds and April Showers bring forth May flowers.' Well – we sincerely hope so! We've had enough rain and wind for the whole year and our hearts go out to those who've been flooded or affected in some way by the recent storms. We mustn't forget to think of those who've still got damage from the last lot – including growers and farmers whose crops have failed. Sitting as we do in the Vale of Evesham we only have to look out at the countryside to see how much damage has been done.

Don't forget we have a warm room for coffee and you're very welcome on Friday mornings to join us around 10 am onwards. Knitting or craft work does take place but you can take part in discussions of village news (not gossip!) as well.

Our Sunday mornings have changed somewhat this winter. We often do not meet in the Church but in the Community Room next door. As you know Penny is unable to play the organ and we enjoy being in a circle round our table where we can discuss with the appointed leader his/her prepared topic. This has proved to be very much more open to discussion and we find we often run over time! Come along and join in. Our leaders are very varied as we now have a huge number from our new Circuit.

Lost Quiz Trophy.

Could anyone please shed any light on the whereabouts of the John Lampitt Quiz Trophy. It was last played for in February 2018 at the Bell Inn. Unfortunately we have no record of who the winners were. It is a wooden shield about 300mm high and suitably engraved with the past winners.

If anyone can either remember who won it or where it is please contact Phil Bennett on 07890262199 or contact the Bell Inn.

Summer Fete 2020

With the closure of the Village Hall for its upgrade works, there will be no Willersey Horticultural & Craft Show in 2020. Instead, the Parish will hold a fete on the weekend of the Patronal Festival of our church's saint, Saint Peter, on Saturday 27th June.

As well as teas being served in the churchyard, the fete will feature all of the usual activities of our village's traditional, later August Bank Holiday event as well as other attractions. These will include the Flower Festival in the Church, Fun Dog Show, Scarecrow Trail, Village Open Gardens, stalls & raffle and vintage vehicles. With no activity planned for the area surrounding the Village Hall and given the success of having done so in previous events, an application will be made to have Church Street closed for a few hours on Saturday, in order to make this a street market for the fete.

In the evening, there will be a music recital in Saint Peter's Church. Please see page 7.

Willersey Open Gardens

Garden owners, you are invited to make your gardens available to make this a great, fun event as part of our village fete on Saturday 27 June 2020. As well as horticultural masterpieces, we are keen to include a wide variety of gardens – however small, developmental, wild or quirky. For more information, please contact: -

A Celebration of Early Spring

Increasing daylight hours and a general warming of the weather is already triggering all sorts of wildlife activity in Willersey.

Frogs and toads will have spawned - frogs spawning in clumps and toads in long strips; with pond skaters and water boatmen ready to leap into action as the water temperature rises. Hedgehogs soon to be in evidence too; with bees on the wing on warm spring days.

Early butterflies on sunny March days will be visible with the strikingly vivid yellow brimstone often the first to be spotted. The tortoiseshell, comma and peacock butterfly are three others that over-winter as adults so appear early in the year. Some tortoiseshell butterflies were seen over-wintering (with ear defenders?) inside one of our church bells. Such butterflies have a kind of antifreeze in their wings to enable hibernation as adults.

Our village pond mallards paired up well before Christmas in readiness for their somewhat aggressive public mating; with many other birds also having identified their partners for the forthcoming breeding season. Robins and blackbirds begin laying eggs in March often with two broods; whereas blue tits put all their eggs in 'one basket' producing just the one clutch a little later in April, timed to coincide with an abundance of juicy caterpillars.

Others have spotted village rarities - kite (Flic), barn owl (Pete), marsh tit (Robert), nuthatch (Mike & Shirley), tree creeper (Paul), Jean's 'albino' sparrow and our pond visiting mandarin duck that nests in a tree (Peter, Ken, Christine..).

If you'd like to contribute to Nature Box or report interesting local sightings please speak to or email Bob Topp at willerseynaturebox@gmail.com

Willersey WI Meeting February

Mal welcomed all members and guests and Jerusalem was sung with gusto.

The bunting was put up and the union jack flags were out as we welcomed our Speaker of the evening Sam Tebby. Sam has worked as a Butler in Buckingham Palace and he gave us a fascinating insight into the mechanics of how the Royal households work. He explained the hierarchy of staff, the extensive training involved and took us through his own journey from joining as a Junior Footman through to Butler on the Queen's Floor.

The many insights were both surprising and very funny. He brought with him some of the uniforms he wore, details of the wide ranging training he undertook, a photograph with President Obama and all the staff at Buckingham Palace and other items of correspondence etc. A totally fascinating evening was had by all.

Our thanks also go to Jackie, Sue and Cathy who provided us with a delicious banquet of Valentine themed refreshments.

We are now looking forward to our "Sausage Making" next month!

The Bell Golf Society

The Society continues to thrive. Our final event of 2019 took place over the Christmas holiday period, after the non-stop rain, of the last six months, we were blessed with a very pleasant day for Winter golf. The singles competition was won by Will Jelfs, and to keep things in the family the doubles completion was won by Tom Jelfs and Keith Burke. Nearest the pin, on a par three was won by Keith Burke, and the nearest the pin in two shots, on a par four, was taken by Tom Miles.

For 2020 Tom Jelfs will be taking over as Chairman, from Geoff Doran. Our first event of the year is our annual dinner, taking place at the Bell Inn, on Friday 21st February. We already have our golf competitions mapped out for the year, on Friday 15th May we will be playing at Moseley Golf Club, on Friday 10th July our venue will be Coventry Hearsall Golf Club. Our annual “away days” will take place on the 18th and 19th September, at Ullesthorpe Court Golf Club. We will be playing locally at Naunton Downs Golf Club, on Friday 6th November and our final event of the year will be at our home course of Broadway, on Wednesday 30th December.

We are also planning to while away a few warm sunlit Summers evenings, with a number of informal 9 hole completions, at Broadway Golf Club. In the normal manner the golf to be followed with a couple of pints, where we will indulge ourselves in the golfing equivalent of “fisherman’s tales”, where we all convince ourselves that our score would have been so much better, if only luck had gone our way.

Happy Days

Scarecrow Trail - 2020

Yes, it's soon to be that time again. But slightly earlier, as the scarecrow trail this year will link with the Patronal Festival in June.

This year's theme is HAPPY DAYS. An opportunity to allow our scarecrow design to be built around

- Perhaps what we'd prefer to be doing rather than...
- Perhaps what makes other folk enjoy a happy day?
- Perhaps what might an outrageous happy day activity be?
- Perhaps what might just a bit of 'quiet me time' look like?
- Perhaps what might be our 'guilty' secret pleasure?

Details to follow, but now is a good opportunity for us to mentally commit and start thinking, as June will be here before we know it.

Holy Communion using the Book of Common Prayer (BCP) service is celebrated every Wednesday at 11am.

Do come along and join us for the service and/or coffee and a chat at 11.30-12.00 noon.

WILLERSEY WEDNESDAY CLUB

On 5th February Steven and Helen Wilkes showed us their slides on Unusual Accommodation in Remarkable Places. We really did visit some most unusual places. On the Inca Trail in South America, where they slept in very luxurious tents, on the Trans Mongolian Express. a Floating Raft hotel, even a salt hotel, where the table, chairs and beds were made of salt. Yurts and Palaces and many more. We marvelled at the wonderful scenery and indeed their stamina in travelling to all these wonderful places.

On 21st February Rob Collinge gave a talk entitled "A Tale of Two Worlds". This was about his research into his Geneology and all the interesting facts he discovered about his ancestors and in the process finding half brothers and a sister he had no idea existed. He explained how much easier it is now to do this using sites on the internet.

On 4th March Paul Evans will be entertaining us with more humorous poems and readings and on 18th March Adrian James will be talking on Bodenham Arboretum through the seasons.

We are always pleased to welcome new members - if you are new to the village why not come to a meeting if only to enjoy the delicious tea. If you would like more information please ring Jean Baines on 852616 or Marie Dow. 859258

A few words about Lent

Lent lasts for 40 days. Sundays in Lent are 'oases'; as Sunday is never a day of fasting, but a weekly celebration of the resurrection of Jesus. Christians have used Lent as their '40 days in the wilderness', when they set aside the indulgences of life and instead look inward, seeking spiritual renewal and growth. Lent looks towards the Cross and the Empty Tomb, with the assurance of redemption and new life in Christ. The daffodils in our gardens are golden trumpets to proclaim the wonderful message of Easter! The English word for Lent is not at all religious; it is an abbreviation of the Old English word 'lencten', or 'lengthen'. At last winter is over, and the days are getting longer... K.S.
