PASTORAL LETTER – OCTOBER 2020

'For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart.'

Hebrews, chapter 4, verse 12 (NIV)

During October, many churches up and down the land, both those meeting in-church and online, will mark Bible Sunday. This is a day set aside in the Church's year to *celebrate* the continuing impact that the Bible, God's word, has on individuals, churches, communities and, indeed the whole of God's creation.

Many are quick to write-off the Bible, labelling it outdated and irrelevant. The truth is, though, that the Bible still touches, transforms and shapes lives for good. It is part of a body of evidence that reveals so much about the nature of God and of his kingdom. In particular, it offers proof beyond doubt that God longs to communicate with each of us.

Whilst I'm glad that the Church sets aside one Sunday each year to recognise the continuing impact and relevance of the Bible, for me every Sunday is 'Bible Sunday'. Every day is 'Bible Day'! The Bible is my constant companion in life. If you wonder why, the answer is, in part, connected to the verses above, from the New Testament Book of Hebrews. Here we are reminded that God's word isn't something lifeless or passive. It's not just another book on the bookcase. Rather, it is *living* and *active*. It teaches, trains, rebukes, challenges, encourages, enlivens and inspires us. Above all else, though, it communicates to me, in my innermost being, the timeless story of God's love for his people – a love that saw God come into the world and redeem the world in his Son, our Saviour, Jesus Christ.

When Her Majesty the Queen was crowned in Westminster Abbey on 2nd June 1953, the then Moderator of the General Assembly of the Church of Scotland, presented Her Majesty with Bible, saying,

'Our gracious Queen:

to keep your Majesty ever mindful of the law and the Gospel of God as the Rule for the whole life and government of Christian Princes, we present you with this Book,
the most valuable thing that this world affords.

If you don't already do so, I'd like to challenge you to join me in reading the Bible. If you haven't got a Bible at home but want to take up my challenge, many translations – from traditional to modern – are available free of charge online. Start with something manageable, such as one of the psalms (try 23, 91 or 139) or, St Mark's Gospel. If, when you've read it, you want to talk about what you've read, please be in-touch.

The Bible is rightly regarded by many as 'the most valuable thing that this world affords'. In reading it, we embark on the adventure and journey of a lifetime.

With love, Scott

PARISH COUNCIL OFFICE CLOSURE

We apologise for any inconvenience but the office is now closed and its phone number is disconnected until the village hall refurbishment is completed. Parish Council services however are continuing and if you need to contact the Clerk, please email: Kevin O'Donoghue at willerseyparishcouncil@btconnect.com

THE METHODIST CHURCH – October 2020

Harvest Festival has come and gone for us in the Chapel. We didn't do decorations this year. We brought what we had that would be useful for those with very little. It's all gone to the Evesham Methodists who distribute it around the town. We couldn't sing Harvest Hymns so we thought of others – not ourselves. Evesham Methodist Church care for the homeless and patrol the streets of Evesham during the night. I must say I admire them for doing it!

Last week, in September, we had a guest preacher. His name is the Revd Martin Turner and he offered to come to us to 'have a look at that lovely little church at the top of the village.' How nice to be thought of in that way! He comes through quite regularly on his way to see his daughter and family in Quinton; so he wondered if he could call on us.

We had a lovely service together, and isn't it nice that someone actually noticed our building. So many people nowadays just 'rush through'. We are still having the occasional service leader, but quite often we are taking the service ourselves and enjoying discussion rather than sermon.

We are getting used to zoom meetings with Circuits adjacent to us. Richard's getting quite nifty on the computer! Just as well because I'm not so up together any more. We are looking forward, as I'm sure most people are, to getting back to normal! And, of course, like all Methodist congregations we miss the hymn singing! However we read them together and probably take more notice of the words! We so often concentrate on the familiar music rather than on the words.

As a group we are helping each other get through these days of no togetherness. The one thing about a village is that we see people around on regular occasions and, even if it's just a wave, it's communication.

Keep communicating! Penny – 853306

WILLERSEY WEDNESDAY CLUB

Owing to the present ongoing problem with Covid 19 the club will not be starting again in September. If the situation improves it may be possible to restart in 2021, but we will urgently need a new Chairman, Secretary and Treasurer. We will keep you advised of the situation over the next few months

Great British September Litter Pick October 3rd

The Parish council will be participating in the Great British September Clean by organizing a litter picking morning.

Litter pickers and sacks will be provided to all volunteers from 09.30 on Saturday October 3rd at the village hall.

The filled sacks will be collected later by Cotswold District Council.

WILLERSEY DUCKS

Our duckpond is a significant part of the Village. Currently it has mallards on it. We have also in the past had coots, moorhens and even a brief visit from a heron. We would like to thank Liz Ward for making sure that the ducks are properly fed and putting up a notice to say that bread is not good for them.

Willersey Village Hall. Refurbishments.

We are pleased to report that the Building Contractors have now completed the refurbishments works three weeks ahead of schedule and within budget. The Village Hall Committee now have the task of carrying out the fitting of Curtains, Carpets, Blinds, Fire equipment servicing, portable appliance testing, the implementation of fire procedures as well as carrying out a Covid 19 assessment before we can think of re-opening the hall. We will also be carrying out the tidying up of the outside areas which got neglected during the building works. At the time of writing this report it is difficult to give an estimate of when the Hall will officially re-open for general hire as our initial estimate of mid-November will be subject to Covid restrictions and we will only re-open when we are confident it is safe to do so.

We do however hope to find a date as soon as possible when we can open the doors for everyone to come and have a look around inside once we have completed the jobs above, so watch this space.

Treasurer Required.

For the last couple of months we have put out a plea for someone to come forward to take on the job of Village Hall Treasurer. So if you may have thought about volunteering please come forward and have a chat as no formal accountants experience is necessary just an organised mind and a couple of hours a month. Our current Treasurer Lucy who is stepping down due to family commitments but has promised to work alongside someone until they are confident to take over fully. Lucy is also staying on the committee so help and guidance will never be far away. If you feel you would like to help out and join our very friendly committee please contact nevillejelfs@gmail.com or telephone 01385 858351 evenings.

Following the announcement of new ‘rule of six’ restrictions to help limit the spread of coronavirus, the Bishop of London, Sarah Mullally, who chairs the Church of England’s recovery group, said: “I welcome confirmation from the Prime Minister that places of worship can still hold more than six people in total, despite the new restrictions on gatherings, and the reassurance that public worship can continue. We will continue to work with the Government on specific areas relating to our churches and church-based activities.”

October

Mornings are decidedly chilly
And mists hang low in the valleys
October is perhaps the most vibrant month of the year
Stunning autumnal colours on trees
Spanning a spectrum from gold through to bronze.
Leaves from such trees as ash, beech
Willow and sycamore enhance the world
With their rich colouring
Birds banquet on fruit, nuts and berries
Which are now plentiful in the countryside
And swallows fly away to warmer destinations.

Creatures which hibernate
.. the squirrel and hedgehog for example
Find safe locations
Where they spend the cold Winter months
Dining spasmodically on items
Retrieved from their food store.
Pheasants strut majestically across the moorland
... the birds appearing to exhibit
Guardian like mannerisms.

Red and white polka dot toadstools
Growing in the forest glade are celebratory sculpture
With their special colours
And intricate design details ...
... grey fungus attached to tree stumps
Appearing slightly drab and forlorn by comparison.

NEWS ABOUT THE RE-OPENING OF THE SNOOKER ROOM

The Snooker Room is scheduled to be re-opened at the same time as the official launch of the refurbished Village Hall.

It has been agreed with the Village Hall Committee that all parts of the Hall will re-open at the same time.

Once the total refurbishment is complete, and before the official opening, the Snooker Table will have received a full, professional recondition. Please watch for announcements regarding the date of the re-opening of the Village Hall.

Despite pestilence and storms over twenty delightfully creative scarecrows were assembled across the village to brighten our days - although one or two did need rescuing and repairing after some of the worst of the unseasonable weather. So thank you to all those involved for helping to maintain this lovely Willersey tradition in what is proving to be a tricky year. If you missed seeing them most are recorded on the Willersey website: www.willersey.org/scarecrows2020.htm

Nature Box - Garden Ponds

The best time to create a small garden pond is right now - or you might change your mind.

Building a pond is not difficult and there is plenty of useful advice around; and the return a pond brings in terms of wildlife is amazing - the creatures just come. Water boatmen will soon be 'rowing' across your pond, pond skaters and maybe even whirligigs, moving like bumper cars but never colliding; with these creatures defying logic with their surface tension trickery.

Frogs may soon discover your pond with frog spawn to follow in early February if you're lucky. Although our own healthy collection of newts seemingly polished off all of last spring's tadpoles. Still, they have to eat and newts are pretty cool too.

Dragonflies and damselflies are the other great attraction. Large red damsels often appear first and the yellow and green southern hawker - the most common large dragonfly here - often come close to check you out. Both are great colonisers of small garden ponds. Watching them lay eggs in early summer is a treat; and their offspring can be spotted climbing up stemmed pond plants, having spent several years beneath the surface as nymphs. Best to avoid adding fish if you want to attract diversity.

And the fun doesn't stop there: with hedgehogs, wood mice and other small rodents also visiting to enjoy a night time drink.

Village pond insect sightings: a Banded Demoiselle, Broad-bodied Chasers, an Emperor dragonfly, Red Damsels; and lots of tiny froglets spotted in early June. Hooray! Just as well, given froglets will be on the menu of many other creatures.

If you'd like to contribute to Nature Box or report interesting local sightings please speak to or email Bob Topp at willerseynaturebox@gmail.com

Broadway Embroidery Group

We hope to restart on Thursday 1st October. Our new venue is to be the Parlour Room at the Lifford Hall in Broadway. It is a light, airy room with space for tables to be socially distanced. These will be sanitized before and after our use. The hall provides a limited number of parking spaces at the rear of the building.

Our first meeting will be a “sit and Sew”. Everyone appears to have been busy during lockdown and beyond with craft activities. Please bring along something you would like the other members to see, however small.

Place: Parlour Room, Lifford Hall. 10am to 12 noon Note: 2 hours
Please bring your own refreshments.

Hopefully we can resume normal activities. This is however subject to Government guidelines and to any changes which may be made.

A New Roof for Saint Peter's Church Tower

The removal of all the scaffolding on Saint Peter's Church tower indicates that the recladding work on the tower roof has been completed. This work was most urgent because the poor condition of the cladding was resulting in water ingress. If not rectified, this would have resulted in deterioration to the overall structure of the tower and other parts of the church.

When the old lead was removed it revealed that the water ingress had caused timbers to rot at all four corners of the tower. These have all been replaced. The contractor, Q&M Ltd of Gloucester has delivered an excellent standard of work, much improved on the previous cladding. This included recladding all of the roof and relining the gargoyle that drain the water from the tower roof and lean out from each of the tower's four corners. We also took the opportunity to improve the security arrangements of the tower roof significantly.

The project was delivered on time and within budget, at a cost of £30,000. We were blessed in being able to secure over £24,000 of this through six successful grant applications. However, this does leave Saint Peter's needing to find over £5,000 to cover the outstanding cost.

The previous roof had lasted for over a hundred years, so, it would be reasonable to expect the superior cladding installed under this historic Willersey project to continue to protect our most historic and beautiful Parish Church for at least another century.

Kiftsgate Outing

Ann Chambers from Kiftsgate Court Gardens spoke to us at our January meeting about the diverse garden that she and her family have been managing for 100 years. We were delighted to see her on Gardeners' World on BBC 1 and some of our members were encouraged to visit as soon as they opened up, but this didn't stop us making another return visit. Every season brings another treasured floral delight. We were not disappointed.

We rolled up our sleeves once again to support The Macmillan Cancer Charity. The New Inn provided the coffee and our girls baked some buns to sell. With the change in Government advice concerning Covid and groups meeting together this was a more limited affair than usual. But have no fear, '*we'll be back'* fighting to sell all of the goodies we've made knitted and extracted from you to sell at a later date.

Ann Embury entertained us to a coffee and cakes morning in her delightful garden. Lizzie was hampered by a broken wrist so while her coffee wasn't served she amazingly raised £50. Maggie ran a Cotswold Flight night with just a nod to the coffee. These events added another £275 to the Macmillan Charity. The coffee morning at The New Inn adding another £755 so our total for Macmillan this year is **£1080** and they will receive another **£90** from the gift aid. Thank you to Ann and Shirley for organising the cake sale, Adine and Gill the raffle and of course Felicity and Jules for the coffee.

A huge thank you to members and village folk who have supported our fund raising efforts again this September. We will brave the autumn and winter with our usual stoicism and continue to meet in groups of six while we can..

October Meeting

Monday 12th October

St Peter's Church

We had planned a meeting, but we will keep you informed via our Willersey WI Newsletter about this or any other forthcoming events. MACMILLAN COFFEE MORNING

Thursday September 17th

A huge thank you to anyone who bought a cup of coffee, a cake, or risked their life savings on the raffle. It was a good day to catch up and chat; and especially important to think of the friends and neighbours who have needed the support of The Macmillan Cancer Team.

St Peter's Family Service

It was good to have our Family Service back, taken by Mark. It is funny not being able to sing especially the rousing Harvest Hymns. We had a good congregation including four children. Our gifts of Harvest were taken to the altar steps and blessed by Mark. These gifts are to be taken to the Caring Hands organisation in Evesham.

Thank you to Adine for reading of the parable of The Mustard seed to illustrate the Harvest story. Mark spoke of the difficulties of living a good & helpful life and striving to be good Christians. We ended the Service with "The Peace", a socially distanced version.

Our next Family Service is on October 18th at our Church. All being well, we hope to see there. Stay Safe.

ST PETER'S SUNDAY SERVICES

Saint Peter's Church continues to be open, every day. Please go in to pray, be in the presence of God or just enjoy the peace and tranquillity of our beautiful church which has been there for our parishioners for centuries, especially in the most challenging times.
