
THE NEW INN

News from the New Inn

As you are reading this, we will be part way through the first stage of the lockdown easing. With such a wonderful effort being made with the vaccination roll out we hope that stage two will continue as planned and we will be able to open our outdoor spaces from 12th April and welcome people inside from 17th May.

Whilst it has been an uncertain time for everyone, we are hopeful the worst is behind us as we look forward to playing our part in reconnecting with the people and things, we have all missed. For us that is you, our customers, the ones we already know and the ones we have yet to meet.

With a little help from our friends

Our fingers are firmly crossed that the English weather is going to be kind and you can all make use of the much improved and enlarged garden we have. It was hard work, but we had a little help from a few of our kind locals and we hope you will agree it was worth the effort. Our orchard is now the perfect spot to throw down a picnic blanket, we have extra benches in our top garden for al fresco dining, new benches, and cover outside the skittle alley and even our resident ducks have now got upgraded accommodation.

What makes our pub

Our firm belief is that a good village pub is all about a cracking pint, home cooked food, and a place to meet up with friends and family. A central point for all of life's celebrations and congregations. And that is what we are looking forward to getting back to.

As restrictions are lifted further, we will be delighted to welcome back the darts and skittles teams, along with community groups to make use of our skittle alley/function room and hosting family celebrations. All being well the beginning of this will be live music on Sunday 30th May, save the date!

As the government continues to keep the VAT on food at 5%, we will be passing that saving on to you, the customer. Discount on all food will be automatically deducted from your bill.

As table service will remain for some time, please make sure you book yours in advance by calling us on 01386 853226 or emailing newinnwillersey@gmail.com

Keep up to date with all our information and offers by visiting our website **www.newinnwillersey.co.uk** or following us on Facebook

AND FINALLY.....

We would just like to take a moment to thank all our fellow residents of Willersey for their support, where you have visited us when we have been open, made use of our takeaway service when closed or just checked in on us when you have collected your morning paper, it means a lot.
