

The Lifecycle Traveller folding electric bike is hand made and beautifully finished in polished alloy. With 20" wheels and weighing less than 17 kilos (without battery) with a slim frame and a very low step-through design it's the best designed and smartest equipped with a Samsung 18Ah battery, front disc brake, front fork suspension and Saddle post suspension. Seven speed Shimano gears, a rear parcel rack and a range of around 50 miles.

Traveller Folding Electric Bike
37 Volt 18Ah Samsung Lithium Battery with front Disk Brake - 7 speed Shimano Gears
Twist and go Throttle. Range 45 Miles per charge

Cotswold Electric Bikes Sales (or Hire) at Willersey Stores, near Broadway

Come and test the latest electric bikes at Willersey Stores and Village Café...

We have fold-up small 20 inch wheel bikes and Dutch style 26 inch wheel bikes.

You can either test one for 10 minutes around the village, or hire on an hourly basis or for the day (planned routes of the area are available). Hire charges are fully refunded upon the purchase of a bike.

Bikes can either be drop-shipped to your address or you can buy a demo model at a discounted price from Willersey Stores and take away on the day.
