

This card comes from all of us at your Parish Church, your Churchwardens and our brothers and sisters at the Methodist Church in Willersey, to assure you of our love, thoughts and prayers for Christmas and the New Year.

You will find here details of the services taking place in the lead-up to Christmas and we hope very much that you, and any family and friends staying with you, will join us for one or more of our services. There is something for everyone - from Christingle and crib services to carol services and the awe and wonder of "Midnight Mass". All of our services tell afresh the wondrous story of Christ's birth and the Good News of 'Emmanuel' - God with us.

May you know in your hearts, minds and homes, the peace of Christ this Christmas and in the year ahead.
