

WILLERSEY PARISH COUNCIL

Willersey Parish Council has commissioned this bench with the help of a grant from Cotswold District Council.

It is to commemorate the end of the First World War and remember all those who gave their lives in the conflict.

There will be a short service of dedication soon, we intend to use some of the original prayers that were used to dedicate the WWI memorial at the top of Church Street.

**From the councillors of:
Willersey Parish Council**
