

Willersey's Big Garden Bird Watch 2023
Friday 27th, Saturday 28th & Sunday 29th January

Would you like to take part?

Last year 56 people across the village joined in.

- Just count the birds you see in your garden during **one hour**. Please only include those birds that land, not those flying over.
- Count the highest number of each bird species that you see **at any one time**, otherwise you could count the same bird twice.
- Please record whatever you saw – even if nothing at all.
- I will then collate the results and share with everyone.
